### SPRAY-SOL

#### FOR PROFESSIONAL USE ONLY

A highly concentrated solvent designed to blast away dirt, grease, oil and grime from refrigeration and air conditioning condenser coils. Cleaning is quick and effective. Ideally suited for use on condenser coils where water clean-up is a problem.

**NOTE:** Do NOT allow **SPRAY-SOL** to contact polystyrene foam. Immediate damage will occur. This product may affect certain plastics commonly used for drain pans and other components. Do not allow **SPRAY-SOL** to remain in contact with plastics. Wipe immediately with a cloth or paper towel. Test plastics in an inconspicuous area before use.

**DIRECTIONS:** Use only with adequate ventilation. Disconnect power to equipment. Place rags behind and under coil area being cleaned to collect grease and wet soil that is removed. Spray generously over the surface to be cleaned until completely wet. Allow the solvent to set for a minute, then wipe or rinse off with a second spray.
